

# FamCompass

## Looking ahead

FamCompass - Brussels, 23rd October 2009

---

---

---

---

---

---

---

---

### Strong points:

FamCompass is

- Innovative; responds to real needs
- Empowering; self reflective, makes implicit competences visible
- Mediator between informal learning and formal learning; lower barriers to training and to labour market

FamCompass - Brussels, 23rd October 2009

---

---

---

---

---

---

---

---

### Challenges:

- Accreditation, not just recognition of family competences; implement FamCompass in broader assessment procedures
- Apply the FamCompass for different users & target groups; creative use
- Dissemination; train institutional users and assessors

FamCompass - Brussels, 23rd October 2009
